

Concierge Healthcare Membership

What are the benefits of being a Galen Health Member?

Your own dedicated private doctor - A private doctor 'on call' for you 24 hours a day* so if ever you have a medical concern or question no matter where you are, your doctor will take care of you, from simply allaying your concerns over the telephone, giving advice or sending prescriptions to your current location, liaising with other healthcare professionals on your behalf where you are or taking care of you in person it is all covered.*(24 hour cover as part of the Premium Plus membership)

Your own dedicated concierge team - Should you find yourself needing further care, advice on procedures, advice on medical insurance or in fact anything healthcare related, you have a personal healthcare specialist on the end of the telephone who will organise every logistical aspect of your health and offer complete impartial advice.

Your own exclusive, stylish and cutting edge Harley Street clinic - Any time you physically need to see your Galen Health doctor, nurse or a specialist there will be no waiting as under one roof we have all the primary care services you will ever need including in house MRI, CT, X-Ray, Ultra Sound, ECG and Pathology all set in the beautiful, stylish and relaxing surrounding of your own private clinic on Harley Street.

Galen VIP Membership: £50 per month
